S.NO	SUGGESTIONS	ACTION TAKEN
1	To enhance the knowledge in the latest technologies.	Faculty members regularly attended ATAL FDPs and STTPs.
2	More practical orientation programmes are needed in the teaching-learning process.	More emphasis was given to introduce application-oriented teaching learning process.
3	Upgrade the syllabus for enhanced suitability with industrial requirements	Anna University updated their syllabus in 2021 regulation to align with the various industrial requirements.
4	The number of hours to cover the syllabus may be increased.	Most of the Saturdays were converted to working days to increase the number of contact hours.
5	Faculty members should work towards giving training to the students in the latest technologies and techniques related to the industrial requirements.	Training was given to the faculty members by various industries. Besides, based on their interests, they were motivated to do online certification courses, and attend international workshops.
6	Continuous self-learning process to enrich the knowledge of students.	Professional courses have been attended.
